**Subject:** Incorrect Information on Federal Placard/FMVSS 110

Dear Mr. Fisher:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

FOREST RIVER/PUMA/2017

**Mfr's Report Date:** November 23, 2016

**NHTSA Campaign Number:** 16V-866

**Components:**

EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 23

**Problem Description:**

Forest River, Inc. (Forest River) is recalling certain model year 2017 Puma trailers, models PT38DBS and PT38RLQ, manufactured August 15, 2016, to November 15, 2016. The Federal placards on the affected vehicles have incorrect tire and rim information. The placard incorrectly states a combination of ST225/75R15/D tires needing 65 PSI and a rim designation of 15X6.0JJ, while the vehicle is actually equipped with ST235/80R/16E tires needing 80 PSI and a rim designation of 16X6.0JJ. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

**Consequence:**

If referencing the information that is on Federal placard, the operator could under-inflate the tires causing a reduction of vehicle handling and increasing the risk of a crash.

**Remedy:**

Forest River will notify owners, and dealers will replace the incorrect Federal placard with a correct one, free of charge. The recall is expected to begin January 19, 2017. Owners may contact Forest River customer service at 1-574-642-0606. Forest River's number for this recall is 420-11162016-0276.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Forest River's proposed owner notification letter and envelope and they are currently under review. You will be notified of any changes or concerns once our review is complete.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
