**Components:**

EQUIPMENT:OTHER:LABELS

**Potential Number of Units Affected:** 125

**Problem Description:**

Starcraft RV is recalling certain model year 2017 Comet, Satellite, Launch, and Autumn Ridge mini trailers manufactured June 21, 2016, to November 18, 2016 and equipped with the extreme package. The Federal labels on the affected vehicles may state incorrect tire and rim sizes. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 110, "Tire Selection and Rims."

**Consequence:**

If there is incorrect tire and rim information on the label, owners may replace the tires or rims with items not specified for the unit, increasing the risk of a crash.

**Remedy:**

Starcraft has notified owners and mailed corrected labels to the affected owners, free of charge. The recall began on December 22, 2016. Owners may contact Starcraft customer service at 1-800-945-4787. Starcraft's number for this recall is 9902339.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
