Definitions :

Report Quarter : The quarter the manufacturer is reporting recall completion figures (e.g. 2012-3 means the 3rd quarter of 2012).

Recall Population : The total number of products recalled by the manufacturer.

Total Remedied : The total number of products either remedied, inspected without needing remedy, or returned to inventory.

Total Unreachable : Products deemed unreachable as owner notifications were unable to be delivered.

Total Removed : Products that have been scrapped, stolen, or exported.
