

Part 573 Safety Recall Report**16C-002****Manufacturer Name :** Graco Children's Products Inc.**Submission Date :** JAN 29, 2016**NHTSA Recall No. :** 16C-002**Manufacturer Recall No. :** NR**Manufacturer Information :**

Manufacturer Name : Graco Children's Products Inc.

Address : 3 Glenlake Parkway
Atlanta GA 30328

Company phone : 330-283-1136

Population :

Number of potentially involved : 15,064

Estimated percentage with defect : 1

Child Restraint Information :

Make : Graco

Model : Extend2Fit Convertible

Seat Type : OTHER

Model No. : 1954477

Platform Name / No. : Extend2Fit

Brand Name : Graco Children's Products

Descriptive Information : Convertible car seat. 4-50 lb rear-facing and 22-65 lb forward-facing

Production Dates : NOV 27, 2015 - JAN 20, 2016

Description of Noncompliance :

Description of the Noncompliance : The English recline label (showing positions 1, 2 and 3 for rear-facing and positions 4, 5 and 6 for forward -facing) was placed on the Spanish side resulting in inaccurate recline position labeling. This incorrect label placement violates 49 CFR 571.213 S5.5 Labeling "Any labels or written instructions provided...shall not obscure or confuse the meaning of the required information or be otherwise misleading to the consumer".

FMVSS 1 : 213 - Child restraint systems

FMVSS 2 : NR

Description of the Safety Risk : Following the recline position instructions on the mis-applied label could result in a rear-facing infant being placed in upright positions and/or a forward-facing toddler being placed in recline positions. Both scenarios could affect the safety of the child in a crash.

Description of the Cause : The mis-applied label is a manufacturing error resulting in the English recline position label being applied to the Spanish information side resulting in inaccurate recline position information.

Identification of Any Warning that can Occur : NR

Supplier Identification :**Component Manufacturer**

Name : NR

Address : NR

NR

Country : NR

Chronology :

Initially, a consumer reported the mis-applied label. An inspection of Graco inventory discovered additional mis-applied labels. On January 25, Graco determined that the mis-applied label was in violation of 49 CFR 571.213.

Description of Remedy :

Description of Remedy Program : As of this report, Graco has stopped manufacturing until the necessary manufacturing controls can be implemented. Graco will notify retailers to stop sale of the affected car seats and Graco intends to rework the affected car seats to affix the correct label. Graco will contact registered owners by mailing them the Part 577 consumer notification letter and will make available to registered owners the new label and application instructions for applying the new label to the car seat. A new label will also be available to any non-registered owners upon request.

How Remedy Component Differs from Recalled Component : NR

Identify How/When Recall Condition was Corrected in Production : Manufacturing controls will be implemented to error-proof the application of the English and Spanish recline position labels so that they cannot be mis-applied in the future.

Recall Schedule :

Description of Recall Schedule : Retailers that sold the affected car seats will immediately be notified to stop sale, quarantine the affected product and to contact Graco for disposition. In addition, registered owners will begin to be contacted by February 26, 2016

Planned Dealer Notification Date : FEB 01, 2016 - FEB 01, 2016

Planned Owner Notification Date : FEB 26, 2016 - FEB 26, 2016
