Description of Remedy :

Description of Remedy Program : Conduct a Voluntary Safety Recall on all affected vehicles to inspect the front left caliper date code and replace the caliper if it is from the suspect casting date.

FCA US has a longstanding policy and practice of reimbursing owners who have incurred the cost of repairing a problem that subsequently becomes the subject of a field action. To ensure consistency, FCA US, as part of the owner letter, will request that customers send the original receipt and/or other adequate proof of payment to the company for confirmation of the expense.

How Remedy Component Differs from Recalled Component : NR

Identify How/When Recall Condition was Corrected in Production : NR
