VIN (Vehicle Identification Number) Range

Begin : 1GB0G3CG1F1128325 End : 1GB0GSFF1G1158973 Not sequential VINs

Description of Noncompliance :

Description of the Noncompliance : According to General Motors' filing, it "decided that certain 2014 – 2016 Chevrolet Express and GMC Savana incomplete vans with a 159-inch wheelbase were shipped by certain final stage manufacturers without a tire pressure monitoring system (TPMS) and fail to conform to Federal Motor Vehicle Safety Standard No. 138."

FMVSS 1 : 138 - Tire pressure monitoring systems

FMVSS 2 : NR

Description of the Safety Risk : According to General Motors' filing, "Without a TPMS, the driver would not be alerted that one or more of the vehicles' tires is under-inflated, and an under-inflated tire could affect the driver's ability to control the vehicle in certain situations and could increase the risk of a crash."

Description of the Cause : None provided.

Identification of Any Warning that can Occur : None provided.

Supplier Identification :**Component Manufacturer**

Name : GM Fleet & Commercial

Address : 100 Renaissance Center
Detroit MICHIGAN 48265

Country : United States

Chronology :

On Thursday, March 31, 2016, the Rockport Division of Forest River was notified by General Motors of a "Stop Delivery 2014-2016 MY Express/Savana SRW" chassis due to an anticipated noncompliance recall. The GM recall number is 15819.

Forest River's Office of Corporate Compliance was notified on Friday, April 1, 2016, of the communication received from General Motors. Forest River and the Rockport Division investigated the matter further, including assessing whether the plant had vehicles in its possession, at dealerships or with consumers. On April 7, 2016, the Forest River Corporate Committee determined that a recall was appropriate based on the information provided by General Motors.

Description of Remedy :

Description of Remedy Program : Because General Motors is the manufacturer of the chassis, this recall will be corrected by General Motors, at a General Motor Dealership. Since General Motors is providing the remedy, it is anticipated that they will also submit quarterly reports for this recall.

What is the General Motors Customer Service Phone Number? (800)
462-8782

What is the Forest River Customer Service Phone Number? (574) 295-1022

How Remedy Component Differs from Recalled Component : Since General Motors is providing the remedy, refer to the General Motors filing for this recall.

Identify How/When Recall Condition was Corrected in Production : Since General Motors is providing the remedy, please refer to the General Motors filing for this recall.

Recall Schedule :

Description of Recall Schedule : Forest River has the utmost urgency in our recalls. Forest River will send suspected VIN numbers to our third party vendor that is licensed to pull data on the current owner of the vehicles once a formal NHTSA I.D. is provided. Forest River intends on pushing the mailing out as soon as NHTSA provides any correction(s) and an Acknowledgement Letter.
