Description of the Cause : wrong type of lamp used.

Identification of Any Warning that can Occur : NR

Supplier Identification :**Component Manufacturer**

Name : NR
Address : NR
NR
Country : NR

Chronology :

Research

Description of Remedy :

Description of Remedy Program : The clearance lights were not visible from all angles of the trailer. Also on the Revolution a gate brace was covering one clearance light. We are now putting a P2 rated beehive style lamp at a 45 degree angle on the front of each trailer. We are also putting a P2 rated lamp on the side rear of each trailer (18' Car hauler). We have moved the gate brace on the 6.5x12 Revolution and updated the lights as well to the P2 rated bee hive style light. The trailers are at the dealer level so getting them back to the manufacturing plant will not be an issue.

How Remedy Component Differs from Recalled Component : We are now putting a P2 rated beehive style lamp at a 45 degree angle on the front of each trailer. We are also putting a P2 rated lamp on the side rear of each trailer (18' Car hauler). We have moved the gate brace on the 6.5x12 Revolution and updated the lights as well to the P2 rated bee hive style light. The trailers are at the dealer level so getting them back to the manufacturing plant will not be an issue.

Identify How/When Recall Condition was Corrected in Production : We are now putting a P2 rated beehive style lamp at a 45 degree angle on the front of each trailer. We are also putting a P2 rated lamp on the side rear of each trailer (18' Car hauler). We have moved the gate brace on the 6.5x12 Revolution and updated the lights as well to the P2 rated bee hive style light. The trailers are at the dealer level so getting them back to the manufacturing plant will not be an issue. We corrected this issue on 4-30-16. We are now using the P2 rated LED beehive style lights.

Recall Schedule :

Description of Recall Schedule : The recall notifications are to be mailed 5-16-16. This will be sent to any dealer who received a 6.5 x 12 revolution or a 18' car hauler.
