Chronology:

On December 7, 2016, Autoliv Group informed Fiat Italy S.p.A. ("FCA Italy") of a defect declaration regarding Autoliv AI-2 initiators used on multiple OEM's vehicles.

On December 7, 2016, Autoliv Group provided traceability serial numbers for affected components to Fiat Italy. On December 7, 2016, FCA Italy provided copies of this information to FCA US.

Description of Remedy:

Description of Remedy Program : FCA US will conduct a Voluntary Safety Recall on all affected vehicles to

replace all affected airbags.

FCA US has a longstanding policy and practice of reimbursing owners who have incurred the cost of repairing a problem that subsequently becomes the subject of a field action. To ensure consistency, FCA US, as part of the owner letter, will request that customers send the original receipt and/or other adequate proof of payment to the company for confirmation of the

expense.
