Subject Inflator Ridgeline Kit - Do Not Install Request

AmericanHonda has begun to ship inflators for the most recent Takata driver's sideairbag inflator recall to support recently posted service bulletin 16-016. Wehave received inquiries about the inflator installation on the Ridgeline and weask that you stop installing these new inflators into the Ridgeline until weinvestigate and answer these questions. Please reference the part number andapplication below. Expect to receive an updated iN message within 24 hours.

Part Number	Model	Year Application	Action
04770-SJC-405	Ridgeline	2007-2014	Do Not Install

Additional information and update will be provided within 24hours.

Thank You,

American Honda Motor Co., Inc.
