March 2016

**IMPORTANT SAFETY RECALL**  
**NHTSA Recall Campaign # 16V-120**

Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 Eagle Half Ton fifth wheels and Eagle travel trailers manufactured April 8, 2015 through February 19, 2016.

The wiring from the battery box to the roof mount solar prep does not have the proper circuit protection. Without the proper protection of the wiring, the wiring could melt or short to ground and produce a fire in the vehicle, causing injury to occupants or property damage.

The remedy is for a Jayco dealer to tie the unprotected circuit into the existing 30 amp circuit breaker. All pertinent documents pertaining to this recall are on file under the Service and Parts tab of Jayco Partners.

Our records show the following units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold:

*Serial Number Listing*

**Dealer Campaign Responsibility**

**Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.**

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and continued satisfaction with the Jayco Towable Product.

Sincerely,  
Jayco Towable Division
