March 2016

**IMPORTANT SAFETY RECALL**  
**NHTSA Recall Campaign # 16V158**

Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 White Hawk travel trailers manufactured March 3, 2016.

The axles (2) on the White Hawk are incorrect. Axles for the 25BHS travel trailer should be 3500lb axles; incorrect 3000lb axles (2) were installed.

The Cargo Capacity of the unit is stated for the correct 3500lb axles which could allow owner to overload the trailer increasing the risk of a crash.

Our records show the following units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold. Axles are in route for these units , **NO ORDER is required . DO NOT RETURN THE 3000LB AXLES TO JAYCO.**

**Serial number**

**Dealer Campaign Responsibility**

**Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.**

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and satisfaction with the Jayco Towable Product.

Sincerely,  
Jayco Towable Division
