

GLOBAL SAFETY FIELD INVESTIGATIONS  
DCS4094  
URGENT - DISTRIBUTE IMMEDIATELY

Date: July 1, 2016

Subject: 15822B – Safety Recall  
Seatbelt Lap Anchor Tensioner Cable – Driver's Side  
Part Information for Upcoming Bulletin Revision

Models: 2014-2015 Chevrolet Silverado 1500 Series  
2014-2015 GMC Sierra 1500 Series

To: All Chevrolet and GMC Dealers

Beginning on Tuesday, July 5, 2016, an initial supply of part number 84160781 (Driver Seat Belt Bracket), will be pre-shipped by GMCCA to all involved dealers of record. We anticipate this pre-ship will take about one week to complete.

These parts are for upcoming safety recall 15822B. Upon receipt, please ensure that the parts are kept in a secure area so that they are available when the recall bulletin is released.

Further communication will be sent shortly related to this recall. Your support is appreciated.
