Chief [REDACTED],

You will be receiving a letter in reference to the NHTSA Recall #16V263 concerning the KME cab door latches. This letter is just a formality as KME performed the work on all of the units at your facility last week except GSO#8333 which was at the international dealership. Bulldog will complete the recall on the last unit after the service is complete at the International dealership.

KME will forward all of the signed completed documents in the near future. If you have any further questions please do not hesitate to call on me.

Thanks,

[REDACTED]
