Subject: KME Service Visit to BFD Week of 5-16-16

Lt [REDACTED],

I have attached a detailed report for your records. I will also follow up with a copy of the warranty document for each item and the signed off recall info when it is prepared. We did not complete [REDACTED] because it is currently at the International service center. This unit should be scheduled to stop at Bulldog to have the cab door latches, hardware and striker bolts replaced as well as the hardware torqued and doors adjusted prior to returning to service. Bulldog will provide all of the same documentation when that unit is complete.

Again, KME appreciates all of your cooperation and assistance with resolving this matter. If you have any further questions please call on me.

Thanks,

[REDACTED]
