## **IMPORTANT SAFETY RECALL NOTICE**

Date: 06/\_\_\_/16

National Highway Traffic Safety Administration  
Recall Number: 16V289

TO: All Dealers

Pacific Coachworks has decided that a noncompliance exists in certain Pacific Coachworks 27FBX Toy Hauler Trailers. Accordingly, a recall to address this issue was initiated effective May 11, 2016.

The Noncompliance involves the Federal Certification Labels that have an incorrect posted Cargo Carrying Capacity (CCC). This Noncompliance could result in a customer exceeding the Gross Vehicle Weight Rating when the vehicle is fully loaded to the maximum CCC.

Owners will be notified by mail about the recall and will be provided new Certification Labels with corrected CCC and a recertified higher GVWR and instructed to remove the old labels and install the new labels. There is no cost to owners for this recall. In addition, enclosed are the new Certification Labels for the affected units we understand are still in your inventory, so please remove and replace the Certification labels on these units as soon as possible.

Pacific Coachworks is authorizing .1 hour(s) to remove and replace the Certification Labels on the affected units, and such claims should be sent directly to Pacific Coachworks warranty department for reimbursement.

Please be reminded that it is a violation of Federal law for you to sell or lease the 27FBX units covered by this notification until this recall has been performed on these vehicles. Substantial civil penalties apply to violations of this law.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact:
