WTD-65 Steering Column Recall - Parts Supply Reminder

TO:	SDCCENWSTEST
From:	Subaru of America, Inc.
DEPARTMENT	Parts & Service
DATE:	2016-06-10 12:15
CATEGORY:	Parts/Service

It is important that claims continue to be entered on a timely basis every day in order to keep an accurate accounting of completed cars. Please continue to make timely claim entry a priority.

We will be receiving additional supply of the 03As (push start) this weekend to cover existing back order quantities. In order to balance supply, we are encouraging retailer to retailer sales or returning the parts to your facing RDC.

Note: When returning columns, please submit a parts claim using reason code "RK" - damaged.

Thanks very much for your assistance and support as we move through this recall event.
