

IMPORTANT SAFETY RECALL

S26 / NHTSA 16V-303

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxx).

This interim notification letter is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain **2013 through 2016 model year FIAT 500e vehicles**.

The problem is... The Power Inverter Module (PIM) on your vehicle may have diagnostic software that is overly sensitive. During normal vehicle operation, the PIM may falsely diagnose an over-voltage condition in the ground circuit setting Diagnostic Trouble Codes (DTC's). The consequence of setting DTC's is a loss of motive power. This could cause a crash without warning.

What your dealer will do... FCA intends to repair your vehicle free of charge (parts and labor). However, the parts required to provide a permanent remedy for this condition are currently not available. FCA is making every effort to obtain these parts as quickly as possible. **FCA will contact you again by mail, with a follow-up recall notice, when the remedy parts are available.**

What you must do to ensure your safety... Once you receive your follow-up notice in the mail, simply **contact your FIAT studio**, at your convenience, to schedule a service appointment. Your studio will collect the necessary information to ensure that the appropriate parts are available so your service can be completed in a timely manner.

If you need help... Please contact the FCA US Customer Assistance Center at either **recalls.mopar.com** or phone 1-888-242-6342.

Box 21-8004, Auburn Hills, MI 48321-8007, Attention: Recall Reimbursement**. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you've had previous repairs and/or reimbursement you may still need to have the recall repair performed on your vehicle.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or you can call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to **safecar.gov**.
