Subject: **Takata Airbag Recall - Update**

As part of our continuing efforts to minimize the number of vehicles with an open Takata airbag inflator recall, we have put together a holiday mailer featuring a free oil change offer.

The week of December 17th, MMNA will be sending approximately 55,000 holiday mailers to affected owners of the following vehicles: Lancer (2004-2007), Raider (2006-2009), Lancer Evolution (2004-2006), and i-MiEV urging them to have this important recall completed at an Authorized Mitsubishi Dealership as quickly as possible.

Included in this holiday mailer is an offer for a **free oil change** upon completion of the recall. Customers will have until the end of February to take advantage of this offer.

Dealers will be reimbursed the following amounts for the oil change:

- 2004-2007 Lancer = \$ [REDACTED]
- 2006-2009 Raider = \$ [REDACTED]
- 2004-2006 Lancer Evolution = \$ [REDACTED]

NOTE: You must submit promo claim code [REDACTED] for this offer. Although i-MiEV owners will be receiving a holiday mailer, it will not include the free oil change offer.

The free oil change is only applicable if the Takata recall is completed – promo claims submitted without a corresponding recall claim will not be paid.

MMNA has ample inventory of Takata recall parts – to minimize any customer inconvenience, be sure your dealership has an adequate supply of recall parts on hand.

Thank you in advance for your immediate attention. Should you have any questions, please do not hesitate to contact your District Parts and Service Manager.

Sincerely,

MMNA Aftersales
