Subject: 15826-01 - Safety Recall
Front Passenger Air Bag Inflator
2010 Vibes Released for Repair

Models: 2009-2010 Pontiac Vibe

To: All General Motors Dealers

On March 27, 2017, General Motors released Safety Recall 15826. Due to a limited supply of the parts needed to complete this recall, only the 2009 model year Pontiac Vibes were eligible for repair at that time. The purpose of this message is to announce the release of the 2010 model year Pontiac Vibes. Please see the attached bulletin for details and discard all copies of bulletin 15826.

Customer Letter Mailing

The customer letter mailing for the 2010 model year Pontiac Vibes is scheduled for May 22, 2017.

Global Warranty Management (GWM)

The Investigate Vehicle History (IVH) screen in the GWM system has been updated to an "Open" status for the 2010 model year Pontiac Vibes.
