**Requested Action: Review the attached chart for a summary of information related to the multiple Takata airbag inflator recalls.**

The attached chart has been updated for Acura dealers to help clarify the multiple Takata airbag inflator recalls and related information.

For each recall, the chart identifies the campaign, active service bulletin, models affected (Honda and Acura), vehicle population, parts availability (as of August 4, 2016), and which recalls qualify for related American Honda programs.
