June 10, 2016

GL1800 STOP SALE NOTICE UPDATE

Dear Honda Dealer:

This message is a status update to the STOP SALE NOTICE announced on May 26.

Honda is launching a SAFETY RECALL on certain model year 2006-2010 GL1800-8A (Airbag type) motorcycles to replace the airbag module. The airbag module in affected motorcycles includes a potentially defective inflator manufactured by Takata.

For a complete description of the issue, view the interim Service Bulletin on *iN*:

[SAFETY RECALL: 2006-2010 GL1800-8A \(Airbag Type\) Airbag Module Replacement \(GL1800 #24\)](#)

SERVICE BULLETIN

An updated *Service Bulletin GL1800 #24*, which includes the affected VIN information and the temporary alternative solution, will be published June 16, 2016.

CUSTOMER NOTIFICATION

AHM intends to mail recall notification letters to owners of affected motorcycles around the end of June.

Make sure all departments in your dealership are aware of this action.

If you have any questions, please contact AHM TechLine through TechLine Connect on *iN* or contact your District Service Manager.

Sincerely,
American Honda Motor Co., Inc.

Bradley Little
Manager, National Field Service
Motorcycle Division
