

Dealer Campaign Vehicle Storage Agreement

_____ are the owner/lessee of a _____
Customer Name *Model Year*

Nissan _____ VIN: _____
Model *Current Odometer*

You have been informed that your vehicle (referenced above) ("your vehicle") is subject to the Takata Driver Air Bag Recall issued by Nissan North America, Inc. ("NNA"). The replacement parts to address this safety recall are not available at this time.

An authorized Nissan Dealer ("Dealer") is providing you with a loaner/rental vehicle ("loaner/rental") to drive until NNA and/or Dealer notifies you that parts are available to remedy your vehicle, or until such time as your Dealer requests that you return the loaner/rental vehicle, whichever is earlier.

Dealer will allow you to take your vehicle home and store it while you have possession of the loaner/rental vehicle.

You therefore agree to the following:

- You will drive your vehicle directly home without any other passenger in the vehicle and will not drive the vehicle again, other than to return it without any other passenger in the vehicle to the Nissan dealer when parts are available to perform the recall remedy.
- ***Other than driving the your vehicle back to Dealer for repair, you agree not to operate your vehicle while waiting on remedy parts because you understand that your vehicle is subject to a safety recall and, under certain circumstances, your driver side air bag could rupture and cause metal fragments to pass into the occupant compartment potentially resulting in injury or death.***
- You will store your vehicle at home, or another safe location of your choice, at your own risk and expense and ensure that your vehicle's keys are secured and inaccessible to others.
- You will keep possession of your vehicle and will not alter, modify, or sell the vehicle (except in the case of a leased vehicle, which you may return upon the expiration of your lease, if that time pre-dates the availability of parts to remedy your vehicle).
- You will promptly bring your vehicle and any loaner/rental vehicle to Dealer upon notification that the recall remedy is ready to be performed.
- You understand that you will be responsible for any and all damages caused to the vehicle if it is driven prior to the performance of the recall remedy, other than directly from or to the Nissan dealer.

By signing below, you expressly agree to all of the terms and conditions set forth herein.
