CAMPAIGN BULLETIN

Takata Passenger Airbag Inflator Voluntary Safety Recall Campaign

Reference: R1618, R1619

Date: February 8, 2017

Attention: Retailer Principal, Sales, Parts and Service Managers

REVISED February 8, 2017

The announcement from December 9, 2016 has been superseded.

- Interim repairs under these campaign IDs should no longer be performed
- All open parts orders for K85FA-7994D will be cancelled as that part is no longer available
 - Retailers may return any unused K85FA-7994 parts to their PDC using an "I-code"
- R1619 was turned off on in Service Comm on December 9, 2016
- R1618 will be turned off in Service Comm effective February 8, 2017
- Vehicles subjected to this campaign that have not been remedied as well as vehicles that received interim repairs can now be identified in Service Comm under:
 - R1622 – Final remedy for vehicles that have received no repairs
 - R1704 – Final remedy for vehicles that received interim repairs under R1618/R1619

Please discard earlier versions of this bulletin and refer to the R1622/R1704 bulletin for additional details.

Q: R1618 was performed, but the claim has not yet been submitted. Can retailers still do so?

A. Yes, submit a "CM" line claim using the following claims coding. Claims must be submitted by **March 7, 2017**. Any claims submitted after this date will be rejected.
