SUBJECT: Takata Recalls – Dealer Incentive Extended & Owner Incentive Added

This letter is to update you regarding the dealer incentive and to inform you of a new incentive for vehicle owners involved in the Takata airbag recalls on Sterling Bullet vehicles, **FL684** and **FL714**. Note, revised bulletins will **not** be published.

Warranty Campaigns is assisting owners to connect with dealers to schedule the recalls. You may hear from us as we facilitate appointments for vehicles in your area. Your help is vital to reaching the goal of 100 percent completion.

The additional incentive of \$500 per claim for FL684 and FL714 is extended through December 31, 2018. All other incentives also remain in effect.

New this month, a flyer with an offer of a \$50 gift card for completing the Takata airbag recalls was sent to vehicle owners who still need one or both airbags replaced. Owners will ask dealers to note their dealer code and sign a post card at the time the recalls are performed. Owners will return the post card to confirm completion and receive the gift card.

Copies of the flyer and post cards are attached for your information.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
