Subject	Recall Information Update: S/B CBR300R/CB300F #1						

Updated November 9, 2016

Effective immediately parts for this campaign are now available on open order. It is no longer necessary to contact TechLine or your District Service Manager for parts requests.

Parts Availability:

Parts supply remains limited at this time, please confirm the receipt and consumption of parts already shipped to your dealership before placing additional orders.

Warranty Claim Submission:

Upon repair completion, please submit a warranty claim as soon as possible to ensure prompt reimbursement and accurate repair tracking.

If you have any questions regarding this recall, please contact TechLine or your Honda District Service Manager.
