Attn: Service Manager

Dear Heartland RV Valued Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Heartland RV (Heartland) has decided that a defect which relates to motor vehicle safety exists in certain 2015, 2016 & 2017 Elkridge FW, 2016 & 2017 Mallard Travel Trailers, 2017 Sundance Travel Trailers, 2017 Torque Travel Trailers, 2016 & 2017 Wilderness Travel Trailers manufactured between September 18, 2014 to July 25, 2016 on all Models that contain the switched Dehco LED Lights on the front cap. Other trailer models manufactured by Heartland during this time period are not included in this recall. We apologize for any inconvenience this action may cause you, however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been decided that all of the travel trailers subject to this recall campaign are equipped with a switched Dehco LED Lights on the front cap. The light can overheat and short causing the light to melt or catch on fire. If this should occur there would be an increased risk of fire, injury or death.

Instructions for the repair and a list of the affected coaches with their VIN #'s can be found on the warranty portal. Please verify your stock for any of the affected coaches and if you have questions concerning this recall or if you need any assistance please contact the **Warranty/Service Department** by email at 'parts@heartlandrvs.com', or by phone at 877-262-8032.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Please have the VIN #'s of the affected travel trailers available when you call.

If you have questions concerning this recall or if you need any assistance please contact the **Warranty/Service Department** by phone at 877-262-8032.

Thank you for your attention and cooperation in this matter.

Sincerely,
Heartland RV Service Department
