

IMPORTANT SAFETY RECALL

TMC# RC000121

Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and The Canadian Motor Vehicle Safety Act and is important for your safety.

Thor Motor Coach (TMC) has decided that certain TMC motorhomes fail to conform to Federal Motor Vehicle Safety Standard No. 302; Flammability of Interior Materials. The interior shower door in the motorhome does not meet the flammability requirements of FMVSS 302. In the event of a fire, the shower door could burn faster than permitted by FMVSS 302 resulting in reduced time for an occupant to exit the vehicle. This could result in death or serious injury.

The required action is to replace the shower door on the affected vehicles.

Dealers that have stock units impacted by this recall will have a list of affected units attached to this recall bulletin. If any unit on this list has been retail sold you are asked to notify the retail owner as soon as possible of this recall because their vehicle was not registered at the time the retail notice was mailed. Please immediately register any retail sold units on this list. **As a reminder, you are required by law to complete this recall on any stock units in inventory prior to retail sale. Any vehicle lessor receiving this notice must forward a copy to the lessee within 10 days.**

Please find attached a copy of the retail notification letter. In addition, instructions for claim filing have also been included. If you have questions concerning this recall, please contact the **TMC Warranty/Service Department** by mail at TMC, P.O. Box 1486, Elkhart, IN 46515-1486, **or** by phone at 877-500-1020.

We apologize for this inconvenience; however, we have taken this action in the interest of customer safety and continued satisfaction with our products.

Sincerely,

James Crosley
Director of Customer Service
