

***IMPORTANT SAFETY RECALL
NHTSA Recall – 16V622
Transport Canada Recall – 2016-413***

Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and The Canadian Motor Vehicle Safety Act and is important for your safety.

Bison Coach (Bison) decided that a safety defect which relates to motor vehicle safety exists in certain Bison models of trailers.

On certain travel trailers, a 30 amp fuse on the battery line was omitted at time of assembly. As a result, the circuit contains no overload protection. Should a short occur, wiring could overheat and cause a fire, which could increase the risk of injury and/or damage to property. Correction: Dealers will install a 30 amp inline fuse in the battery line.

The required action is to install an inline fuse in the battery cable.

Dealers that have stock units impacted by this recall will have a list of affected units attached to this recall bulletin. If any unit on this list has been retail sold you are asked to notify the retail owner as soon as possible of this recall because their vehicle was not registered at the time the retail notice was mailed. Please immediately register any retail sold units on this list. **As a reminder, you are required by law to complete this recall on any stock units in inventory prior to retail sale. Any vehicle lessor receiving this notice must forward a copy to the lessee within 10 days.**

Please find attached a copy of the retail notification letter as well as the required repair procedure for this recall. In addition, instructions for claim filing have also been included. If you have questions concerning this recall, please contact the **Bison Warranty/Service Department** by mail at Bison, 1002 North Old State Rd. 15 Milford, IN 46542 or call (574)-658-4161.

We apologize for this inconvenience; however, we have taken this action in the interest of customer safety and continued satisfaction with our products.

Sincerely,

Monty Tuttle
Warranty/Service Manager
