November 2016

IMPORTANT SAFETY RECALL
NHTSA Recall Campaign # 16V-713

Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 - 2017 Seismic travel trailers manufactured November 19, 2016 through August 19, 2106. Units with power awning/s and a wireless remote control board may not have proper circuit protection for the awning LED lights installed. Improper circuit protection could lead to electrical short which may result in fire causing personal injury.

The Recall remedy is to install a 1.85A hold / 3.70 A trip fuse in the circuit. Our records show the following units are affected by this recall and are currently part of the inventory at your dealership and require the Recall repair *prior* to being sold:

Serial Number Listing

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and continued satisfaction with the Jayco Towable Product.

Sincerely,
Jayco Towable Division
