November 2016

IMPORTANT SAFETY RECALL
NHTSA Recall Campaign # 16V-748

Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2017 Jay Sport Camping trailers manufactured with the Baja Option from March 3, 2016 through September 30, 2016.

The inside wall of the tires may rub on the wheel wells of the camper. This could damage the tires and result in a blowout that could cause a crash with personal injury and /or property damage.

The Recall remedy is to replace the axle and wheel wells and place revised Federal and tire labels that reflect the change of axles. The revised labels for the unit noted below are enclosed with this notification letter. **A parts order is required to obtain the axle and wheel wells.**

Our records show the following unit is affected by this recall and are currently part of the inventory at your dealership and require the Recall repair prior to being sold :

Serial Number Listing

.

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and continued satisfaction with their Jayco Towable Product.

Sincerely,
Jayco Towable Division
