October 2016

IMPORTANT SAFETY RECALL
NHTSA Recall Campaign # 16V-785

Dear Valued Jayco Dealer:

This notice is sent to you in accordance of the National Traffic and Motor Vehicle Safety Act.

Jayco has determined that certain 2017 Jay Sport camping trailers fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 110, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of 4,536 kilograms (10,000 pounds) or less. An engineering change from ST175/80R13D tire with PSI 65 to a ST175/80R13C tire with PSI 50 was not reflected in the Federal ID and Tire Labels. The incorrect information may lead to over inflating of tires, which could increase the risk of a crash, causing personal injury or property damage.

The remedy is replacement of the current Federal Certification and Tire Label with the correct labels showing tire size as **ST175/80R13C tire with PSI 50**. The corrected labels for the unit listed below are included with this notification.

All pertinent documents pertaining to this recall are on file under the Service and Parts tab of Jayco Partners.

Our records show the following unit is affected by this recall and are currently part of the inventory at your dealership and require the Recall repair **prior to being sold:**

Serial Number Listing

Dealer Campaign Responsibility

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Jayco.

If you have any questions, please contact Jayco Customer Service 800-283-8267 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety.

Sincerely,
Jayco Towable Division
