**RECREATIONAL VEHICLE
SAFETY RECALL NOTICE**

Safety Recall: 16V-879
TC2016-607
December 8, 2016

Dear Heartland RV Valued Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Heartland RV (Heartland) has decided that a defect which relates to motor vehicle safety exists in certain Heartland Landmark Fifth Wheel travel trailers manufactured from September 30, 2015 to October 24, 2016. We apologize for any inconvenience this action may cause you, however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

On certain Landmark fifth wheel trailers manufactured with the Disc Brake Option, The spare tire steel wheel will not properly fit on the axle hub with units that have the disc brake option. The steel wheel will not seat properly requiring constant re-torque and will rub against the disc brake caliper till it comes into contact with the brake line. The correction is to replace the WHEEL of the spare tire with an aluminum wheel.

Instructions for the repair and a list of the affected coaches with their VIN #'s can be found on the warranty portal. Please verify your stock for any of the affected coaches and if you have questions concerning this recall or if you need any assistance please contact the **Warranty/Service Department** by email at 'warranty@heartlandrvs.com', or by phone at 877-262-8032.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Please have the VIN #'s of the affected travel trailers available when you call.

If you have questions concerning this recall or if you need any assistance please contact the **Warranty/Service Department** by phone at 877-262-8032.

Thank you for your attention and cooperation in this matter.

Sincerely,
Heartland RV Service Department

cc: National Highway Traffic Safety Administration (NHTSA)
