IMPORTANT SAFETY RECALL

NHTSA RECALL 16C002

March 2016

Dear Valued Graco Consumer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Graco has decided that certain Graco Extend2Fit Convertible® child restraints as listed in the table below, fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 213, "Child Restraint Systems". Specifically, a recline position label on the product is incorrect and may result in an error in selecting the proper recline position for the child. Incorrect positioning of the child seat can increase the risk of injury to the child in the event of a crash.

Extend2Fit Model	Affected Date Range
1954477	November 27, 2015 through January 20, 2016

Graco is providing registered owners with a free replacement label along with application instructions that can be applied to the child restraint. Please call Graco's Consumer Service Team at 1-800-345-4109 (Monday through Friday 9am – 5pm EST) to determine if your car seat is affected and to order a repair kit.

If you have any questions about this recall, please call us at 1-800-345-4109 (Monday through Friday 9am – 5pm EST). If you believe that Graco has not provided an adequate remedy within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236; (TTY: 1-800-424-9153).

We appreciate the trust you and your family place in Graco products, and we apologize for any inconvenience you may have experienced.

Sincerely,

Graco Children's Products, Inc.
