Certain 2015 Model Year Volkswagen Tiguan Vehicles**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that a defect, which relates to motor vehicle safety, exists in certain 2015 model year Volkswagen Tiguan vehicles. Our records show that you are the owner of a vehicle affected by this action.

What is the issue?

The driver and right front passenger seat-mounted side airbags may contain a manufacturing defect that may result in an airbag inflator rupture during a crash where there is a side airbag deployment. If this happens, airbag inflator components could be propelled into the passenger compartment, possibly striking and causing serious injury or death to vehicle occupants.

What will we do?

To help correct this defect, your authorized Volkswagen dealer will replace all side airbag modules produced within a specific period. This work may take up to four hours to complete and will be performed for you free of charge.

What should you do?

Please contact your authorized Volkswagen dealer without delay to schedule this recall repair. For your convenience, you can also visit www.vw.com and click on the "Owners" link to locate a dealer near you and schedule this service online.
