March 2016

IMPORTANT SAFETY RECALL
This Notice Applies To Your Recreational Vehicle _____
NHTSA Recall Campaign # 16V120

Dear Valued Jayco Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2016 Eagle Half Ton fifth wheels and Eagle travel trailers manufactured April 8, 2015 through February 19, 2016.

The wiring from the battery box to the roof mount solar prep does not have the proper circuit protection. Without the proper protection of the wiring, the wiring could melt or short to ground and produce a fire in the vehicle, causing injury to occupants or property damage.

The remedy is for a Jayco dealer to tie the unprotected circuit into the existing 30 amp circuit breaker. The recall remedy will take approximately 20 minutes and will be at no charge to you. If you paid to have this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information or if you are unable to have this repair performed, please contact Jayco Customer Service at 800-283-8267 for assistance.

If your Jayco dealer is unable to perform the recall within a reasonable time frame, please contact Jayco Customer Service at 800-283-8267 for further instructions. If you choose to take your vehicle to a non-Jayco dealer, they must contact Jayco prior to making the recall repairs for proper authorization and instruction. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service Department at 800-283-8267. If after contacting your dealer and Customer Service you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a written complaint to the Administrator, national Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We certainly regret this inconvenience; however your safety and satisfaction with your Jayco product is important to us.

Sincerely,
Jayco Towable Division
