## IMPORTANT SAFETY RECALL

See enclosed VIN list.

### Subject: FCCC XCP Chassis Power Steering Hoses

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler Trucks North America LLC, on behalf of its wholly owned subsidiary, Freightliner Custom Chassis Corporation, has decided that a defect which relates to motor vehicle safety exists on specific Freightliner Custom Chassis XCP chassis vehicles manufactured April 26, 2013, through January 17, 2015.

On certain rear engine chassis, the power steering fluid temperature may exceed the hose material ratings. This may lead to hose failure with a sudden loss of steering fluid and power assist. A sudden loss of steering assist without warning could result in a vehicle crash.

To remedy the issue the suspect power steering hose will be replaced with one of higher temperature rating.
