

IMPORTANT SAFETY RECALL

NHTSA Safety Recall: 16V-132
VIA MAIL

Date: April 26, 2016

CUSTOMER NOTIFICATION

This Notice is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act.

REASON FOR THE RECALL

On December 14, 2015 Lippert Components, Inc. (“LCI”) notified Universal Trailer Cargo Group, Inc. (“Haulmark Motorcoach”), that they were issuing a voluntary recall on their electric double and/or triple steps that were sold to us between April, 2007 and Sept. 2008. There is a potential of a structural fracture of the center bolt of the fan gear assembly which may cause the fan gear assembly to disengage from the steps creating an unstable platform which could cause a person to fall and result in injury.

WHAT SHOULD YOU DO

Inspect your coach step to see if you have this step.

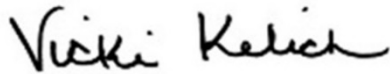

If this is the step on your coach then contact Haulmark Motorcoach Warranty Department at 574-206-4497 or vicki.kelich@utccargogroup.com. Haulmark Motorcoach will then coordinate finding you an authorized dealer/service center that can perform this repair at no cost to you.

If you have already had the center shoulder bolt of the fan assembly replaced within one (1) year prior to September 18, 2015 and can provide a copy of the receipt for the repair you may be eligible for reimbursement from LCI.

If after contacting Haulmark Motorcoach Warranty you are still not satisfied we have done our best to remedy this situation, you may also submit a written complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590.
