

IMPORTANT SAFETY RECALL

Reflector Installation Kit No.: 31261

First Notice

This notice applies to your vehicle:

Model: F3 Serial No: 0033157763 Truck VIN: 1NKDL00 [REDACTED]

May 20, 2016

Dear F3 Owner:

This notice is sent to you in accordance with the requirements of the U.S. National Traffic and Motor Vehicle Safety Act.

Weiler decided that certain model year 2002-2016 Housby/Weiler F3 truck fails to comply with the requirements of the Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices and Associated Equipment."

SIDE AND REAR REFLECTORS MISSING

During manufacturing, the side and rear marker lights installed on the above-identified truck did not contain a reflective material as required by governmental regulation FMVSS 108 for United States, Canada, and Mexico.

DEATH OR SERIOUS INJURY POSSIBLE

When driving or parking the truck on a public roadway at night or during limited sunlight, **death or serious injury** is possible if the truck is not seen by drivers of other vehicles and another vehicle strikes the truck. Property or vehicle damage may also occur.

IMMEDIATE VEHICLE MODIFICATION REQUIRED

Kit # 31261 has been created to provide the necessary parts and instructions for the owner to install reflectors on the sides and the rear of the truck. **These reflectors must be installed as soon as possible.**

Below are photos of similar trucks showing where the reflectors are to be installed. The quantity of reflectors varies by product type. Please see the enclosed kit instructions for proper installation of these reflectors on your truck.

TRUCK WITH BRIDGE AXLE

TRUCK WITHOUT BRIDGE AXLE

To compensate you for your time in installing the reflectors, please complete and return the self-addressed, stamped Work Completion Certificate either by US Mail, email: productsafety@weilerproducts.com or fax: 641-828-6612. Upon receipt of the completed Work Completion Certificate indicating that the reflectors have properly been installed, Weiler will mail the owner a **\$20.00 USD CHECK**. **You must install the enclosed reflectors to upgrade your machine with these safety features.**

According to our records, you currently own a Housby/Weiler **F3** Mixer Truck. The Serial Number and Vehicle Identification Number of the **F3** are shown near the top of this letter. If you no longer own this truck, or if the specified mixer is no longer installed on this truck, please notify the Product Safety Department at:

E-mail: productsafety@weilerproducts.com

Telephone: 641-828-2345

If possible, please provide the name and address of the new owner.

We regret any inconvenience that these corrective measures may cause you. This required work is for safety of the vehicle occupants and others travelling public roadways. We hope you agree that the safety benefits surpass the inconvenience.

Very truly yours,

PRODUCT SAFETY DEPARTMENT

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten (10) days.
