

IMPORTANT SAFETY RECALL

S16 / NHTSA 16V-168

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxx).

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain **2015 and 2016 model year Dodge Durango and Jeep® Grand Cherokee vehicles.**

The problem is... **The left front brake caliper housing on your vehicle may have been cast from an incorrect material. Under extreme brake application, the left front brake caliper housing may rupture. A ruptured left front disc brake caliper housing could increase the vehicle's stopping distance and cause a crash.**

What your dealer will do... **FCA will repair your vehicle free of charge.** To do this, your dealer will inspect the left front caliper for a specific date code and replace the brake caliper if required. The work will take about one hour to complete. However, additional time may be necessary depending on service schedules.

What you must do to ensure your safety... Simply **contact your Chrysler, Jeep, Dodge or RAM dealer** right away to schedule a service appointment. **Please bring this letter with you to your dealer.**

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either **fcarecalls.com** or 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. If you have further questions go to **fcarecalls.com**.
