IMPORTANT SAFETY RECALL

This notice applies to your vehicle 1A2BC3456D7890000

– NHTSA CAMPAIGN NUMBER 16V-185

Dear Kompact Kamp Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

Kompact Kamp is recalling certain 1983-2016 Kompact Kamp Motorcycle Trailers, that were manufactured without side marker lights. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Assoc. Equipment". Without side marker lights, vehicle visibility can be decreased to other drivers, increasing the risk of a crash.

WHAT WE WILL DO

The manufacturer will provide and install the missing side marker lights at no charge for effected model years 2006-2016. Remedy kits may be purchased for model years prior to 2006.

WHAT YOU SHOULD DO

Please contact Kompact Kamp (kompactkamp@gmail.com) as soon as possible to arrange a service date. Kompact Kamp is best equipped to obtain parts and provide service to ensure that your vehicle is corrected as promptly as possible.

Federal law requires any lesser who receives a notification of a determination of a safety-related defect or noncompliance pertaining to any leased motor vehicle shall send the notice to the lessee within 10 days.

If you are no longer owner of this vehicle, please provide us with any contact information so we may contact the new owner.

After contacting Kompact Kamp, if you are still not able to have the noncompliance remedied without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We are sorry to cause this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with our products.
