IMPORTANT SAFETY RECALL

This notice applies to your vehicle, XXXXXXXXXXXXXXXXXXXX

Dear Hyundai (Model) Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect which relates to motor vehicle safety exists in certain Model Year (affected vehicles here). Our records indicate that your vehicle is one of the affected vehicles.

What is the problem?

- The subject vehicles are equipped with a “dual stage” frontal driver airbag. In a severe frontal collision, both the first and supplemental second airbag inflator stages are deployed. Due to a manufacturing error at the airbag supplier, in the event of a collision requiring deployment of both stages, the driver airbag’s second stage will not deploy, increasing the risk of injury.

What will Hyundai do?

- Your Hyundai dealer will replace the driver’s frontal airbag module. This will be performed at no charge to you. The actual time required to perform the procedure should be less than 1 hour, however your vehicle may be needed longer depending on the dealer’s schedule; therefore, we recommend scheduling a service appointment to minimize inconvenience.

What should you do?

- Contact your Hyundai dealer to schedule an appointment. For more information regarding this Recall Campaign, including a link to make a service appointment online, please visit:
