

IMPORTANT SAFETY RECALL

S08 / NHTSA 16V-273

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

FCA has decided that a defect, which relates to motor vehicle safety, exists on certain **2009 through 2016 model year Dodge Journey vehicles.**

The problem is... **The power steering return hoses on your vehicle may rupture on a cold engine start up after the vehicle is exposed to cold ambient temperatures for an extended period of time. A loss of power steering assist increases the steering effort required to steer the vehicle. The increased steering effort could cause a crash without warning.**

What your dealer will do... **FCA will repair your vehicle free of charge.** To do this, your dealer will replace the power steering return hoses, steel tubes and power steering oil cooler. The work will take about 1½ hour to complete. However, additional time may be necessary depending on service schedules.

What you should do... Simply **contact your Chrysler, Jeep, Dodge or RAM dealer** right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment. **Please bring this letter with you to your dealer.**

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either **fcarecalls.com** or 1-800-853-1403.
