Dear Terex Advance Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Our records indicate the following machines registered to you, are involved in this Safety Recall Notice:

Model	Vehicle Identification Number
Model List	VIN Numbers

**REASON FOR RECALL**

Terex has been notified by Marmon-Herrington that they have detected torque inconsistencies with the hex nuts used on the flange yoke of MT22 front axles manufactured by Marmon-Herrington between July 28, 2014 and July 22, 2015. **Insufficiently torqued flange yoke nuts could lead to a separation of the driveline from the front axle resulting in a loss of propulsion, and an increase in the risk of a crash.**

**WHAT TEREX WILL DO**

Terex is providing the enclosed document from Marmon-Herrington which provides instructions for determining if the front axle in question has the torque deficiency.

**WHAT YOU SHOULD DO**

- 1) Per the enclosed Marmon-Herrington Technical Bulletin, immediately check the flange yoke fastener torque.
- 2) If you have any questions regarding this recall you can contact Terex at the following numbers:  
Warranty Department at 260-969-4569  
Terex field service technician in your area  
Terex Advance 1-800-678-5961

Please initiate and make any necessary repairs as soon as possible but no later than 60 days after receipt of replacement parts.

After contacting Terex Advance, if you are still not able to have the safety defect remedied, without charge and within a reasonable time, you may wish to write the: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153): or go to <http://www.safercar.gov>.

If you have had your unit repaired for this issue prior to receipt of this notice, you may be eligible for reimbursement. For more information, please contact Terex Advance at the above contact information.

If you no longer own this machine, please contact the Terex Advance at the above contact information in order to help ensure the new owner receives this important safety information.

If you have leased this equipment to another person, you are required by Federal Law to forward a copy of this notice to the lessee by first class mail within ten days of your receipt of this notice.

Thank you for your immediate attention on this important matter.
