**Subject: Safety Recall 15F7 – Cylinder Head
Certain 2016 Model Year Volkswagen Golf, Jetta and Passat**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that a defect, which relates to motor vehicle safety, exists in certain 2016 model year Volkswagen Golf, Jetta and Passat vehicles. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? The fuel rail may detach from the cylinder head and result in a fuel leak. Leaking fuel in the presence of an ignition source may result in a fire.

What will we do? To help correct this defect, your authorized Volkswagen dealer will replace the cylinder head in your vehicle. This work will take more than one day to complete and will be performed for you free of charge. Because this repair is lengthy, your dealer will assist in making alternate transportation arrangements for you.

What should you do? Please contact your authorized Volkswagen dealer without delay to schedule this recall repair. For your convenience, you can also visit www.vw.com and click on the "Owners" link to locate a dealer near you and schedule this service online.

Precautions you should take If a fuel smell is detected in the vehicle, contact the nearest authorized Volkswagen dealer to have your vehicle inspected without delay. Your vehicle may also go into engine "limp home" mode if the fuel smell is related to this recall issue.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at www.vw.com/contact or by calling 1 800-893-5298.
