This notice applies to your vehicle, _____.

Date: March, 2017

Dear FIRSTNAME LASTNAME,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Reason for notice: Mitsubishi Motors North America, Inc. (MMNA) has decided that a defect which relates to motor vehicle safety exists in certain 2002 – 2007 Lancer, 2004 Lancer Wagon, 2003 – 2006 Lancer Evolution, 2003 – 2006 Outlander, and 2007 – 2013 V6 Outlander vehicles operated in cold weather states where road salt is used. The inside and outside surfaces of the front cross members used on certain vehicles, if exposed long term to snow melt water and anti-freezing agents, may corrode due to insufficient performance of the rust protection.

Should significant corrosion occur over time, a lower control arm could eventually become detached resulting in loss of vehicle control and a potential collision.

What you should do: Please contact your local Authorized Mitsubishi Motors dealer and schedule an appointment to have the repair performed. When you bring your vehicle in, please show the dealer this letter. If you misplace this letter, the dealer will still perform this replacement for your vehicle, free of charge.

What your dealer will do: The dealership will inspect and apply anti-corrosion agents to the inside and outside of your vehicle's cross member. If perforation(s) are found during inspection, the dealer will replace your vehicle's cross member with a new one, and apply anti-corrosion agents to the inside and outside of the new cross member.

How long will it take? The time needed for inspection and application of anti-corrosion agents is approximately **1.5 hrs.** If perforation(s) are found during the inspection, the repair could take up to **4 hrs.** The dealer may need your vehicle for a longer period of time, but every effort will be made to minimize your inconvenience.

If you have any questions, please contact the Mitsubishi Customer Relations Department at **888-648-7820**. Hours: Monday through Friday 7 a.m. to 4 p.m. (Pacific Time)

If, after contacting Mitsubishi Customer Relations, you still have a problem getting this repair made within a reasonable time frame and/or without charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.

If you have already encountered a problem with excessive cross member corrosion and had it repaired or replaced as a result of this specific condition and have paid for the repair, you may send your original repair order or invoice **and** original receipt/proof of payment to the following address for reimbursement consideration:

Mitsubishi Customer Relations Department, P.O. Box 6400, Cypress, CA 90630-0064

If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within ten days to comply with federal regulations.

We appreciate your prompt attention to this matter.

Sincerely,

Mitsubishi Motors North America, Inc.
