August 2016

IMPORTANT SAFETY RECALL

This Notice Applies To Your Recreational Vehicle NHTSA Recall Campaign # 16V-561

Dear Valued Jayco Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that certain Model Year 2016-2017 Alante and Precept Class A motorhomes contain a driver and passenger seat that are installed on a seat base that was torqued incorrectly by the seat base manufacture. After a period of time, the seat base nut may loosen and the seat may detach from the seat base. If the seat would detach when the motorhome is in transit, the operator could lose control of the unit which could result in a crash with personal injury and or property damage.

The recall remedy is to install a jam nut on top of the seat base nut for the driver and passenger seats and torque the jam nut to 55 ft. lbs. The remedy will take approximately 1 hour and will be at no cost to you.

If your Jayco dealer is unable to perform the recall within a reasonable time frame, please contact Jayco Customer Service at 800-517-9137 for further instructions. If you choose to take your vehicle to a non-Jayco dealer, they must contact Jayco prior to making the recall repairs for proper authorization and instruction. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service Department at 800-517-9137. If after contacting your dealer and Customer Service you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a written complaint to the Administrator, national Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153): or go to <http://www.safercar.gov>.

We certainly regret this inconvenience; however your safety is important to us.

Sincerely,
Jayco Motorized Division
