Driver Side Wiper Linkage

Dear Tiffin Motorhome Owner or Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that a defect, which relates to motor vehicle safety, exists on the following models of motorhomes: **2017 Allegro Open Roads.**

These motorhomes are equipped with a driver's side wiper assembly that was installed with a linkage that was ½ inch too short. The shorter linkage can cause the wiper arm to wipe off of the windshield which could potentially break the wiper arm when it tries to come back across. A broken windshield wiper may reduce the driver's visibility, increasing the risk of a crash.

Tiffin Motorhomes will replace the driver side pivot shaft and extend the linkage ½" and attach the motor to the cap and dash pad. Please take your motorhome to a service center **OR** dealer of your choice to have the recall completed. This work will be done at no charge to you, the customer. Please allow up to 1 hour to have this repair completed.

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.

If you do not own the vehicle that corresponds to the identification number which appears on this Recall Notification, please return the notification to the Tiffin Warranty Department with any information you can furnish that will assist us in locating the present owner. You may also call us at 256-356-8661 ext. 2176 or email jeannie.madden@tiffinmotorhomes.com.

If you are unable to have the defect remedied without charge and within a reasonable time after you tender the vehicle for repair, please contact the Tiffin Warranty Department, at 1-256-356-8661, 8:00 a.m. to 3:30 p.m., Central Time. **For US Customers:** You may also wish to notify the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington DC 20590, or phone 1-888-327-4236 (TTY: 1-800-424-9153): or go to <http://www.safercar.gov>.
