September 2016

IMPORTANT SAFETY RECALL
This Notice Applies To Your Recreational Vehicle VIN #
NHTSA Recall Campaign # 16V-671

Dear Valued Jayco Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has determined that certain 2017 Octane Super Lite 222 Travel Trailers fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 110, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of 4,536 kilograms (10,000 pounds) or less". Due to data entry error, the tire range is incorrectly noted as ST205/75R15D with PSI of 65 when the correct tire range on the travel trailer is ST205/75R15C with PSI of 50. The incorrect information on the labels may lead to over inflating of tires, which could increase the risk of a crash, causing personal injury or property damage.

The remedy is replacement of the current Federal Certification and Tire Label and the CSA Data Sheet(when applicable) with the correct label showing tire size as ST205/75R15C with PSI of 50. The corrected labels are included with this notification. You may replace the labels or you can take to your Jayco Dealer to perform this recall at no charge to you. If you choose to perform this call, please follow the included instructions and return the enclosed document to Jayco to confirm the repair has been completed. If you have had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information or if you are unable to have this repair performed, please contact Jayco Customer Service at 800-283-8267 for assistance.

If your Jayco dealer is unable to perform the recall within a reasonable time frame, please contact Jayco Customer Service at 800-283-8267 for further instructions. If you choose to take your vehicle to a non-Jayco dealer, they must contact Jayco prior to making the recall repairs for proper authorization and instruction. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service Department at 800-283-8267. If after contacting your dealer and Customer Service you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a written complaint to the Administrator, national Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of your safety and continued satisfaction with your Jayco recreational vehicle.

Sincerely,
Jayco Towable Division
