This notice applies to your vehicle, \_\_\_\_\_.

Date: January, 2017

Dear FIRSTNAME LASTNAME,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

**Reason for notice:** Mitsubishi Motors North America, Inc. (MMNA) has decided that a defect which relates to motor vehicle safety exists in certain 2011 – 2015 Outlander Sport vehicles. Water can potentially drop down onto the front wiper motor through a gap between the front deck garnish (the body piece between the hood and windshield) and the front windshield. If this occurs, water could potentially collect in the area of the wiper motor breathing hole. If the wiper motor is not operating, this water can then potentially enter the wiper motor through the breathing hole. If this occurs, such water intrusion over time may cause internal corrosion and/or electrical conduction failure resulting in nonoperation of the windshield wiper motor.

If the windshield wiper motor stops operating, the driver will not be able to activate the windshield wipers, reducing driver visibility under certain conditions and increasing the risk of a vehicle crash.

**What you should do:** Please contact your local Authorized Mitsubishi Motors dealer and schedule an appointment to have the recall remedy performed on your vehicle. When you bring your vehicle in, please show the dealer this letter. (If you misplace this letter, the dealer will still perform this repair to your vehicle, free of charge.)

**What your dealer will do:** The dealership will replace the wiper motor with an upgraded wiper motor that will prevent water intrusion.

**How long will it take?** The time needed for the replacement of the wiper motor is **1 hour**. The dealer may need your vehicle for a longer period of time, but every effort will be made to minimize your inconvenience.

If you experience any problem having your vehicle repaired promptly and/or at no charge, please inform us by calling the Mitsubishi Customer Relations Department at **888-648-7820**. Hours: Monday through Friday 7 a.m. to 4 p.m. (Pacific Time).
