Due to data entry error, the rim size noted is incorrect on all the affected travel trailers and the tire information is incorrect on the Comet Mini and Autumn Ridge Mini travel trailers.

The rim size is noted Incorrectly as 15x5.5JJ or 15x6J or 15x6JJ on all affected travel trailers when **the correct rim size is 15X6J , 16X6J or 15X5J** respectively. The tire size is incorrectly noted on the 17RB Comet Mini travel trailer as LT235/75R16E when **correct on the trailer is LT235/75R15C**. The tire size is incorrectly noted on the 17 TH model Autumn Eidge Mini travel trailer as ST225/75R15D when the **correct on the trailer is LT225/75R16E**.

The incorrect information on the labels may lead to replacement parts that are incorrect sizes that are not per specifications for the travel trailer which could lead to driveability issues increasing the risk of a crash.

The Recall remedy is replacement of the current Federal Id and Tire Label showing correct information. The corrected labels are included with this notification. You may replace the labels following the enclosed instructions and returning the enclosed Reply Form or you can take to your Starcraft Dealer to perform this recall at no charge to you.
